The image features a central white circle with a dark blue border, set against a background of a grid of small dots. The circle contains the text 'ENERGY MART' in a bold, sans-serif font, with 'ENERGY' in dark blue and 'MART' in green. Below this, the tagline 'POWERING YOUR LIFE' is written in dark blue, flanked by two horizontal lines. The background is a grayscale photograph of an industrial facility with several tall smokestacks and complex piping, partially obscured by a green and blue geometric pattern on the left and right sides.

Foget about the
**Electric Bill
Forever**

We provide innovative product
Solutions for sustainable progress.

About Us

We're leading power energy in Pakistan

MISSAF ENERGY (Pvt.) Ltd. companies are on a collective mission to build Pakistan's premier energy infrastructure company. Every day, our companies work to develop new ideas, solve problems and reliability meet the needs of our employees, customers and the communities we serve. This approach will help us meet the energy demands of tens of millions of customers for generations to come.

Operating Highlights

We offer the end client a total one solution answers for their solar oriented necessities. Nevertheless, whether it is a big super-mart, a farm or a little home that requires a support framework, we can make a personalized sustainable power source framework dependent on solar and energy productive innovations and offer total supervision from structure to dispatching.

Strategic Highlights

Our Business approach incorporates a commitment to continually elevate our experience and capabilities. As Would be expected, our base of satisfied clients has expanded extensively.

Our Vision

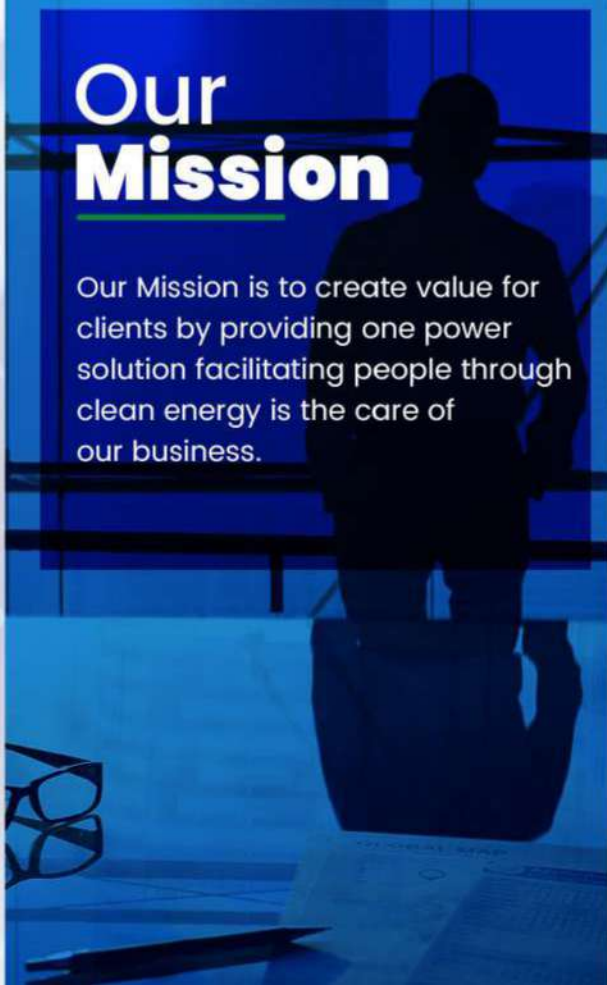

02

| To Deliver competitive and cost effective power solution all around, to secure our environment and to enhance quality of life.

”

Our Mission

Our Mission is to create value for clients by providing one power solution facilitating people through clean energy is the care of our business.

Business Strategy

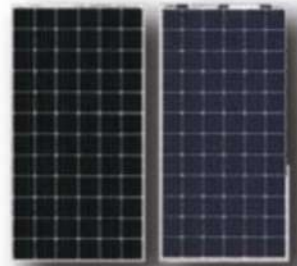

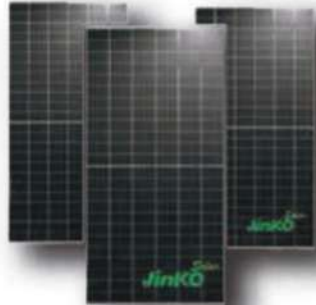

To support our customers and help them meet the advance requirement of Generator Power, Solar & Civil, General Engineering and Control Integration challenges of today and tomorrow.

- Customer-oriented, skilled and committed people.
- Innovative and efficient products, technologies and services.
- An International concepts and standard supported by local teams
- Strict compliance with innovation and customer needs.

Our Products

We provide innovative Product Solutions for sustainable progress.

Our Services

Generator Maintenance

Here at MISAAF ENERGY (Pvt.) Ltd., we are a one-stop, national industrial generator repair and maintenance provider. We understand how much your business relies on your industrial generator, which is why we have critical, comprehensive maintenance and repair plans available. With our preventive maintenance services, we'll help your facility avoid involved and costly generator repairs by catching any potential issues early on.

Industrial Electric Motor Windings

Many times, it is more economical to repair or rewind than replace large industrial motors and generators. Our skilled and experienced team will inspect and advise as to what is the most cost effective option. All repairs and rewinds are returned to customers in "as new" condition, and backed by the Timken Power Systems one-year warranty.

Electrical Design & Layout

It wasn't very long ago when major electrical companies developed all their products from the scratch. Right from packaging to programming, everything was done in-house. Today, with the technology changing by the minute, product lifecycles getting short, and design complexities taxing the design and engineering departments heavily, the scenario is fast witnessing a major change.

Passenger Lifts

We are one of the best passenger elevators and lifts manufacturers. Our full capability on passenger elevator could secure accurate tolerance, as well as competitive price. We integrate the elevator design, research, development, manufacture, sales, installation, repair and maintenance into one.

Cargo Lifts

We are devoted to providing customers with safe and reliable cargo lifting solutions! Customized Available per Loading Capacity, Platform Size and Travel Height.
